What happened to twitter shares? : r/RobinHood

All shares should have been paid out since it's now a private company. There are no shares anymore.

What people are saying

MSTR is practically in the S&P 500 already. The company has resumed selling its own shares to the tune of \$100s of millions per week and yet there are whiners here who think that a handful of odd-lot sized portfolios who write about it on Twitter are moving the...
